

Aussie 's love their cars, so when it comes to the battery that keeps your car running, our range is designed to deliver performance and reliability in equal measure. At our Australian Quality Assurance Lab our battery engineers test and approve every product before we introduce it to our range. While we strive to exceed OEM specifications, this validation process ensures our batteries are not only fit for purpose, but suitable for harsh Australian conditions. With over 30 years providing batteries for the motoring clubs, our comprehensive product range includes batteries for virtually any vehicle make and model.

Features and benefits:

- 2 year standard warranty
- Dependable and reliable starting performance
